The day-long programme of discussion and networking will focus on five key pillars.

Five Pillars for Accelerated Growth and Impact

Culture

Fostering a positive, values-driven environment.

Advancement

Embracing innovation and continuous improvement.

Reputation

Building trust and credibility in the community.

Excellence

Maintaining high standards in care and operations.

Sustainability

Ensuring long-term viability and growth.

Partnership Opportunities

Our Lead Partner and Host is **Coutts Bank**. Our aim is to foster innovation, collaboration, and excellence within our sector so we have created a limited number of Partner opportunities (five in total) to give you access to entrepreneurs who are committed to exploring new approaches and growing their business.
