Chair, Care Sector Fundraising Ball Committee

“The Ball is a dazzling evening that brings the Care Sector together to celebrate the incredible people that live, work and sparkle in Social Care.

It’s an opportunity to put the fun into fundraising and really make a difference to the lives of those we support. I’m thrilled that this year we are supporting two wonderful charities, The Care Workers’ Charity and Alzheimer’s Society, and acknowledging the vital work of smaller charities too.”

Jonathan Freeman MBE

CEO CareTech Foundation

We are very grateful to our guests who give so generously on the night. This year we are looking forward to supporting the Care Workers' Charity and Marie Curie: nationally renowned organisations doing brilliant work in the sector. For the first time, we are also supporting four small charities through funds raised. So this year, your donations will have a wider impact than ever before. We know the funds raised will make a huge difference to the charities we are supporting.
