#CareSectorBall

Saturday 24th April 2021 will mark the date of the re-scheduled third annual Care Sector Fundraising Ball – an event that was first added to the Care Sector calendar in 2018 and has since gone from strength to strength.

With a fundraising total of £348,000 over the last two years, 2021 is set to be the best event yet.

Promising a delicious four course Indian meal, free bar, hosts of live entertainment and two fantastic charity causes, this event looks set to be a sell-out.
